

DISTRICT 38 ARCHIVES & PIE

The History of AA in Historic Williamsburg

If you're interested in learning about the history and growth of Alcoholics Anonymous in the area, or would like to contribute to it, come join us at the District Intergroup Office for a slice of history and pie! You can listen to oral histories recorded by AA's from around the district and even contribute your own story. The archives are a place for AA's to come together and talk about and experience the shared fellowship of Alcoholics Anonymous..and have a slice of pie!

Come for the archives, stay for the pie!
