Suggested Motions for Williamsburg Area Intergroup and Historic District38

Ad hoc Committee for Service Structure in Williamsburg is suggesting these proposals for consideration by Williamsburg Area Intergroup and Historic District38.

The Ad hoc committee considers these the next most beneficial steps for us to take. If desired, these need to be made into motions and voted on if we are to officially incorporate them. Intergroup and District will both need to vote on them.

Motions

1. Align committees to mirror the structure of the VAC.
2. Add funding for all committee chair people to attend 2 VAC Assemblies and 1 VAC Committee Workshops annually.
3. Rename Ad Hoc committee to Growth Committee and keep it as a new committee under District.
4. Dissolve the Newsletter Committee.
5. Combine Grapevine & Literature and Bookstore into one committee under District.

For more background info see this doc: [Ad Hoc Considerations to Groups June 2024.pdf](#) which can be found online or included with this document.

Below are the above motions with a little more explanation.

1. Align committees to mirror the structure of the VAC.
 - a. This includes moving Corrections, CPCPI, Treatment & Accessibilities and Website to District.
 - b. Intergroup would consist of: Phone, Special Events, Building Committee and would still have officers.
2. Add funding for all committee chair people to attend 2 VAC Assemblies and 1 VAC Committee Workshops annually.
 - a. Attendance at Assemblies would be for the Friday evening committee meetings only.
 - b. This enables committee chairs to meet new people by being part of AA as a whole and to learn what other Districts are doing and share ideas for their committee.
3. Rename Ad Hoc committee to Growth Committee and keep it as a new committee under District.
 - a. The purpose of the committee is to be: 'responsible for resolving problems and concerns that arise due to AA's growth in our District'
4. Dissolve the Newsletter Committee.
5. Combine Grapevine & Literature and Bookstore into one committee.

Yours In Service,
Ad hoc Committee
